

☐☐ To bear in mind

If you are working with Mozilla Firefox, it will be possible that this message will be displayed.
To solve it, you must allow the pop-up windows

The screenshot shows a Firefox browser window with the address bar displaying `https://demolab.soffid.pat.lab:8080/soffid/resource/account/vault.zul`. A notification bar at the top states: "Firefox ha impedido que este sitio abriera una ventana emergente. Preferencias". Below the notification bar is the soffid logo and a search bar. The main menu shows "Main Menu > Administration > Resources > Password vault < 8 / 10 >". The "Actions" tab is selected, showing a list of items with columns for Name, Description, System, Login name, Login url, and In use by. A "Warning: An error occurred" dialog box is displayed in the center, with the message "Failed to process script" and a "close" button. Below the dialog box are three buttons: "Launch", "View password", and "Set now".

The screenshot shows the same Firefox browser window as above, but with a permission dialog box open. The dialog box is titled "Permisos para demolab.soffid.pat.lab" and contains the text "Abrir ventanas emergentes" and "Bloquear". Below the dialog box, the "Warning: An error occurred" dialog box is still visible, with the message "Failed to process script" and a "close" button. Below the dialog box are three buttons: "Launch", "View password", and "Set now".
