

Look & feel

Definition

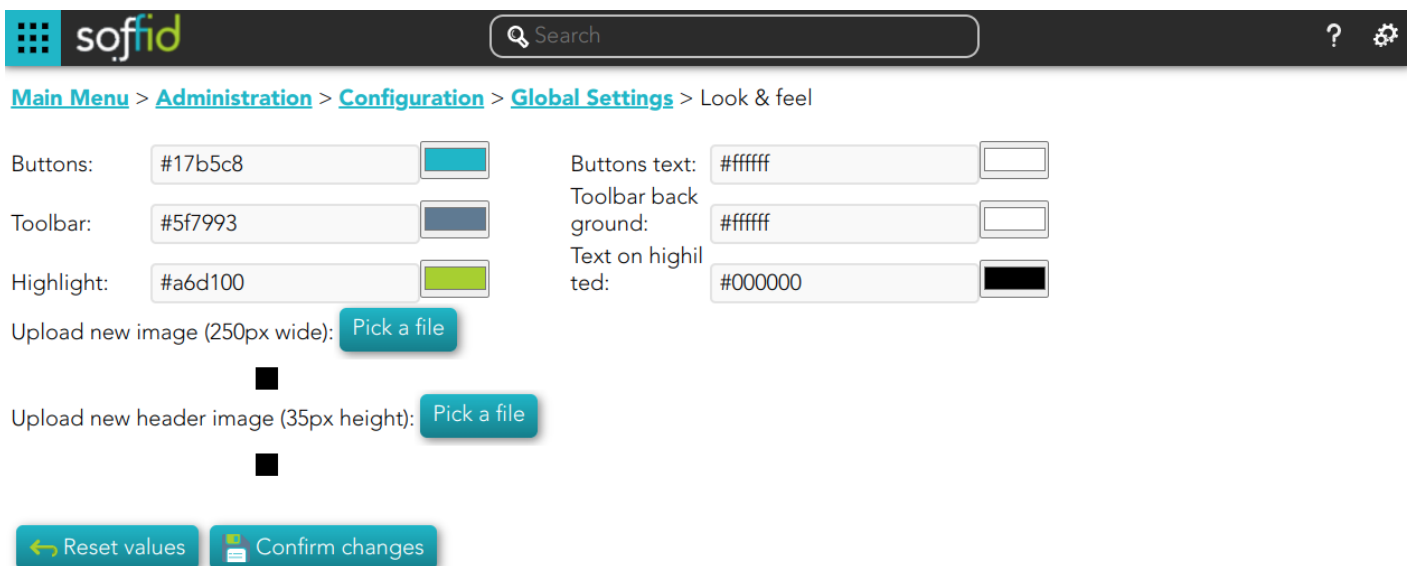

Soffid's Look & feel page allows you to adjust the Console styles to your organization.

In this configuration page, the customization of three sections is allowed:

- You can change the colors of the Soffid components and text.
- You can change the image of the logo that appears on the login page.
- You can change the image of the logo that appears in the header.
- Changes made on this page affect the entire Console.

Some changes may require updating the browser several times because some items are in the browser's cache.

Overview

The screenshot shows the Soffid Look & feel configuration page. At the top is a dark header with the Soffid logo, a search bar, and help/settings icons. Below the header is a breadcrumb trail: [Main Menu](#) > [Administration](#) > [Configuration](#) > [Global Settings](#) > Look & feel. The main content area is divided into two columns. The left column contains color pickers for 'Buttons' (hex #17b5c8), 'Toolbar' (hex #5f7993), and 'Highlight' (hex #a6d100), each with a corresponding color swatch. Below these are two file upload buttons: 'Upload new image (250px wide):' and 'Upload new header image (35px height):', each with a 'Pick a file' button. The right column contains color pickers for 'Buttons text' (hex #ffffff), 'Toolbar back ground' (hex #ffffff), and 'Text on highil ted' (hex #000000), each with a corresponding color swatch. At the bottom are two buttons: 'Reset values' and 'Confirm changes'.

Buttons: #17b5c8

Buttons text: #ffffff

Toolbar: #5f7993

Toolbar back ground: #ffffff

Highlight: #a6d100

Text on highil ted: #000000
