

My certificates and FIDO tokens

Description

My certificates and FIDO tokens are part of a Soffid Self-service portal that allows end-users to access their OTP devices configured.

That option displays to each user, all their certificates and FIDO tokens and allows also to manage those and add new certificates and FIDO tokens.

Screen overview

The screenshot shows the Soffid user interface. At the top, there is a navigation bar with the Soffid logo, a search bar, and a settings icon. Below the navigation bar, there is a breadcrumb trail: "Main Menu > My authentication > My certificates and FIDO tokens". The main content area displays a table with the following columns: "Type", "Serial number", "Description", and "Last use". The table contains two rows of data. The first row is for a "FIDO Token" with serial number "000000000036" and description "eWBM FIDO2 Certificate", last used on "11/15/2022, 2:10 P M". The second row is for a "Certificate" with serial number "000000000039" and description "etaylorCertificado", last used on "11/15/2022, 2:17 P M". Below the table, it says "Displayed rows: 2" and there is a plus sign icon in a blue circle.
