How to install OTP addon in Soffid

Installation

Download

Please download the Soffid OTP add-on.

You can download it at the following link http://www.soffid.com/download/enterprise/ if you have Soffid user with authorization, or in the following http://download.soffid.com/download/ by registering.

Upload

Once the OTP add-on is downloaded, please log in to IAM Console.

> You need to be an administrator user of the Soffid console or a user with permissions to upload addons.

> It is recommended to upload the addons to master, this is the way to maintain updated all, master and tenants if there are.

In the Soffid console, please go to: "Main Menu > Administration > Configure Soffid > Global Settings > Plugins" and upload the addon file, for more information visit the Addons Getting started page

Finally, when the addon is installed, it will be required to restart the Soffid Console.
